Why Companies Choose Next-Gen Tutor

Traditional English training is expensive and inflexible. Next-Gen Tutor solves this by offering:

- **Massive Cost Savings:** Reduce your English training budget by up to 82% compared to traditional 1-2-1 lessons.
- **Total Flexibility:** Employees practice whenever and wherever they want. No more missed classes due to meetings or travel.
- **Personalised Learning:** The AI adapts to each employee's level, industry vocabulary, and specific weaknesses.
- **Corporate Dashboard:** Track engagement, progress, and ROI across your entire team in real-time.
